About Vringo

Vringo (NYSE Amex: VRNG) is a leading provider of software platforms for mobile video services and video ringtones. With its award-winning video ringtone application and other mobile software platforms, Vringo transforms the basic act of making and receiving mobile phone calls into a highly visual, social experience. Vringo's core mobile application, which is compatible with more than 400 handsets, enables users to create or take video, images and slideshows from virtually anywhere and turn it into their visual call signature. In a first for the mobile industry, Vringo has introduced its patented VringForward technology, which allows users to share video clips with friends with a simple call. Vringo has been heralded by The New York Times as "the next big thing in ringtones" and USA Today said Vringo's application has "to be seen to be believed." Vringo has launched its service with various international mobile operators, holds licensing deals with over 40 major content partners and maintains a library of more than 12,000 video ringtones for users in various territories.
